

Meritus Money-Back Guarantee

Introducing our new and exciting offer: the Money Back Guarantee Scheme! We understand that when it comes to making a purchase, you want to feel confident and assured. That's why we're proud to present a policy that puts your satisfaction first, subject to the Terms and conditions.

With our Scheme, you can admit your child with peace of mind. If for any reason you're not completely satisfied with our coaching, we will gladly refund your money in accordance with the scheme conditions.

Here's how it works: Before enrolling your ward or yourself and making the payment, take the time to evaluate thoroughly. A lot of time and effort has gone in curating and creating the coaching curriculum designed to facilitate your wards or your preparation for the IIT Madras qualifier exam; thereby gain a better chance of admission to the 4-year Bachelor's degree in Data Science. The teachers for the program will strive to give the best possible attention to students and ensure that they understand the content delivered. Still if any enrolled student wants to withdraw from the program due to various reasons, Meritus has a transparent policy as per the Money Back Guarantee norms

Money Back Guarantee table is as below

Fees Component	Before class commencement	Class start date to end of Week 2	After Week 2
Tuition fee – as per program enrolled	100% refund of amount paid excluding GST	100% refund of amount paid excluding GST	Nil refund

In case, where a student expresses his intent to withdraw his/her admission to the program, a refund application form must be filled, signed and submitted within 2 weeks from start of the classes. In case of students in Grade 11 and 12, the request form needs to be signed by the parent or guardian. The date of submission of the form to Meritus will be considered for all purposes in this regard. If you need any help, simply reach out to our customer support team. They will guide you through the straightforward refund process as per the Money Back Guarantee table as above, ensuring a hassle-free experience.

We believe in transparency, so it's important to familiarize yourself with the terms and conditions of our Money Back Guarantee Scheme. While we strive to accommodate every customer's needs, there may be certain limitations or exclusions outlined in the policy. Nonetheless, our aim is to provide you with the best customer service possible, ensuring your satisfaction at every step. At Meritus, we take pride in our commitment to quality and customer satisfaction. The Money Back Guarantee Scheme is our way of demonstrating this dedication. So go ahead, admit your child to our program with confidence, knowing that we have your back.

Awards-Scholarship policy

We are thrilled to announce our new scholarship program designed to support and empower students enrolled in Meritus Academy.

At Meritus, we believe in the transformative power of education and are committed to providing opportunities for talented individuals to pursue their dreams.

Through our scholarship program, we aim to recognize and reward exceptional students who have demonstrated outstanding academic achievements, leadership qualities, and a genuine passion for learning. We understand the many challenges, students may face while pursuing their education, and we are dedicated to easing that burden. The scholarship grants will be available to all eligible students attending our coaching to ace the qualifier exam for the 4-year IITM Data Science degree.

Meritus Academy has a policy of encouraging meritorious students enrolled into its programs with awards-scholarships. Students who have regularly attended classes and paid the full program fees will be considered for the awards as per the table below.
